About The Punk Singer

"Kathleen Hanna, lead singer of the punk band Bikini Kill and dance-punk trio Le Tigre, rose to national attention as a reluctant leader but never-shy voice of the 1990s riot grrrl movement. She became a cultural lightning rod with her outspoken feminism, and in 2005, when Hanna stopped shouting, fans wondered why. In *The Punk Singer*, documentarian Sini Anderson finds the answer to that question while taking viewers on a fascinating tour through twenty years of archival footage and intimate interviews with Hanna and her friends and collaborators. A screening of *The Punk Singer* will be followed by a conversation with Hanna, who will talk about feminism, illness, love and much more." - [Visions & Voices Event Description](#)
