Library catalog/Everything search

- Find ebooks, print books, databases, & journals
- Search for specific titles, topics, authors
Research guides

- Research guides include resources & tips for finding information on various topics
- Dentistry guides
- Resources for PBL students
  - Includes guides for PBL cases, book recommendations, presentation, etc.
- All Health Sciences guides
Mobile resources/Apps

- Health Sciences Mobile Resources Research Guide
  - Wide range of apps paid for by USC
  - Recommendations for free apps
Quizzes/practice exams

■ **Access Medicine**
  - Use USC email to create an account
  - Create custom quizzes on basic science & clinical topics

■ **BoardVitals**
  - Use USC email to create an account
  - Create INBDE quizzes
  - [INBDE Exam Prep page](#)
Anatomy & Physiology

On the Dental Anatomy, Physiology & Histology Research Guide, you can find:

- Human Anatomy Modules via Access Medicine - interactive anatomy multimedia tool
- Primal Pictures - multimedia anatomy resources
- Complete Anatomy – Mobile App (available through USC)
- Visible Body - study tool for human anatomy and function
- Anatomy ebook collections
Accessing print books/journals during library closure

- Your USC ID is your library card
- Loan periods vary—Please email wdl@usc.edu for more information
- Use InterLibrary Loan to request print items during library closure (sign in with USC Net ID & password)
Interlibrary Loan & Document Delivery (IDD)

- Request items through [Interlibrary Loan](#) if USC does not own them
- Review the [IDD Guide](#) to learn more about USC Libraries’ requesting services
- All IDD services are free!

### Interlibrary Loan and Document Delivery (IDD): What Can I Request?

**COVID-19 and IDD**

**What is IDD?**

**Who is Eligible for IDD Services?**

**What Can I Request?**

**Scan & Deliver**

**Home Delivery**

**Campus Delivery**

**IDD Login Help**

**IDD Request Statuses**

**Request Overview**

You can request the following:

- Books*
- Dissertations/Theses (hardcopy or digital)
- Audio-visual material**
- Musical Scores
- Microforms (Microfilm/microfiche)**
