How to request additional pages from e-books in the Duxiu database

1. Go to Duxiu (Chinese Google Scholar) database, click on 图书 tab, and then search books by title, author, keywords, etc.
2. Click on the title link to see the detailed record.
3. You will see two buttons in the record, 部分阅读 and 图书馆文献传递. “部分阅读” allows you to have a preview of table of contents and up to 20-30 pages from the text. “图书馆文献传递” allows you to request additional pages from the book which will be delivered to you via email.
This is what you would see after you click on the 部分阅读 button. Please select 目录页 in the drop-down list to see the table of contents and identify which chapter(s) you would like to request from the database. Please note that you can only request up to 50 pages from the book due to copyright restrictions.
You will be directed to an online request form when you click on the 图书馆文献传递 button. Fill in the form and you will receive an email with a link to the text in a few minutes. Please check your junk mail if you do not receive it for a while.
How to request full-text articles from the Duxiu database

This tutorial will show you how to request full-text articles from journals. You can take same steps to request full texts from newspapers, theses and dissertations and conference proceedings in the Duxiu database.

1. Go to Duxiu (Chinese Google Scholar) database, click on 期刊 tab, and then search journal articles by author, title, keywords, etc.
2. Click on the title link to see the detailed record.
3. Click on “邮箱接收全文” link on the top right of the detailed record to request full text from the Duxiu database.
4. You will be directed to an online request form. Fill in the form and you will receive an email with a link to the article or a PDF file in the attachment shortly. Please check your junk mail if you do not receive it for a while.
